As supplemental material in support of Plaintiffs' pending motion for preliminary injunction, Plaintiffs respectfully submit the attached electricity bill to Plaintiff Ferrite International Company from Commonwealth Edison Company ("ComEd"). This bill and ComEd's bills to other retail customers contain Zero Emission Standard charges of .195 cents per kWh for electricity delivered in May 2017 despite the fact that Illinois Public Act 99-0906 did not become effective until June 1, 2017.
